## Bell Reminder Business Internet High Speed...Ultra

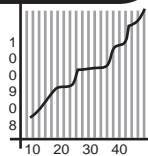

We have signed a contract with Bell Canada for its Business Internet High Speed Ultra. This service is in addition to the high speed service that we have been offering our members for over a year.

Aside from its many advantages, Ultra provides users with a static IP address, which is necessary for multi-clinic Optosys<sup>®2</sup> users.

To learn more about this advantageous offer, refer to the flyer in this month's mailing.

## TECHNICAL SUPPORT HOLIDAY SCHEDULE

OSI will be closed from December 26<sup>th</sup> to the 30<sup>th</sup>, inclusively.

You can reach our technicians during the holiday season by calling:

**514-380-9279**

or

**1-866-660-6797**

**Reminder:** Our technicians are available to assist you 6:00 a.m. to 9:00 p.m. (EST), 7 days a week, 365 days a year.

Calls are automatically connected to a technician within 60 seconds and no matter what the problem, it will be handled quickly. In the event that all of our technicians are busy, your call will be answered in the sequence in which it was received. Your calls are important to us, however you may leave a message in our voicemail if you prefer not to wait. A technician will return your call as soon as one becomes available.

OSI is pleased to provide this service to you free of charge. 😊

## On the road...

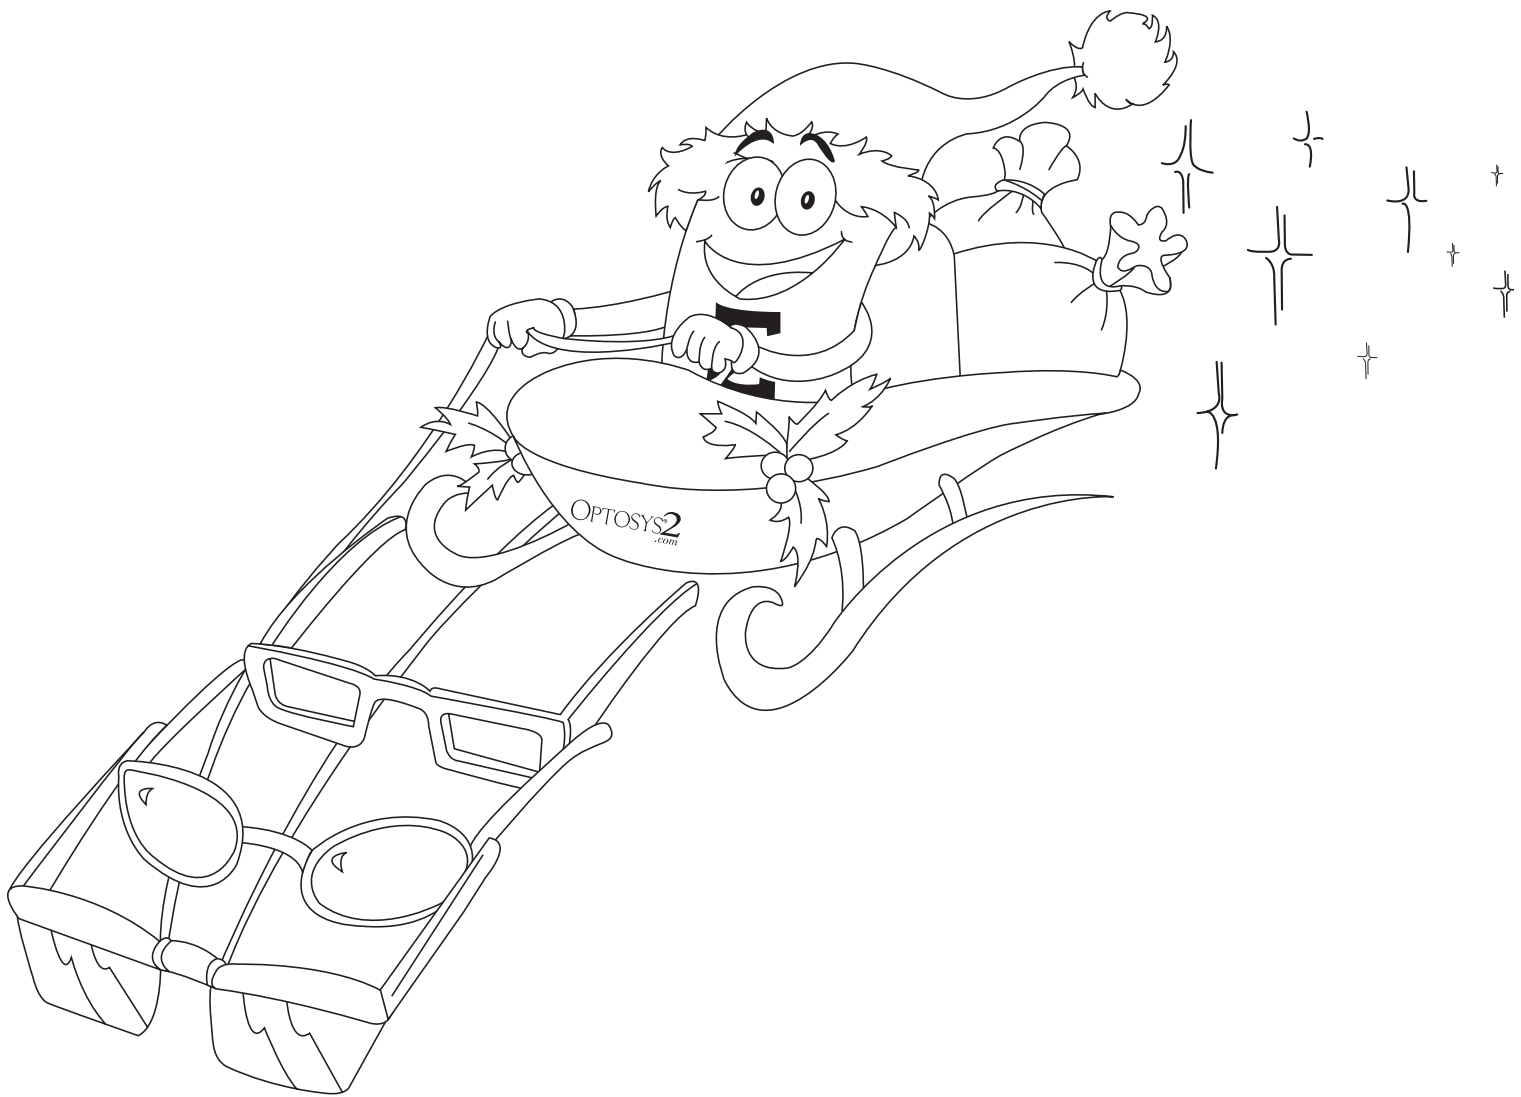

Overwhelming demand for our new Optosys<sup>®2</sup> management software has led to the addition of two new implementation and training advisors to our team.

As of January 2006, Ann Langlois and Maxim Bergeron-Dupont will be travelling all over Canada installing Optosys<sup>®2</sup> and training members to use its many functions!

To get your own Optosys<sup>®2</sup> software or to switch to computerized management, please give us a call! Ms. Caroline Pauzé, our implementation and training coordinator will be pleased to advise you.
