February 16th, 2008, Vancouver, BC

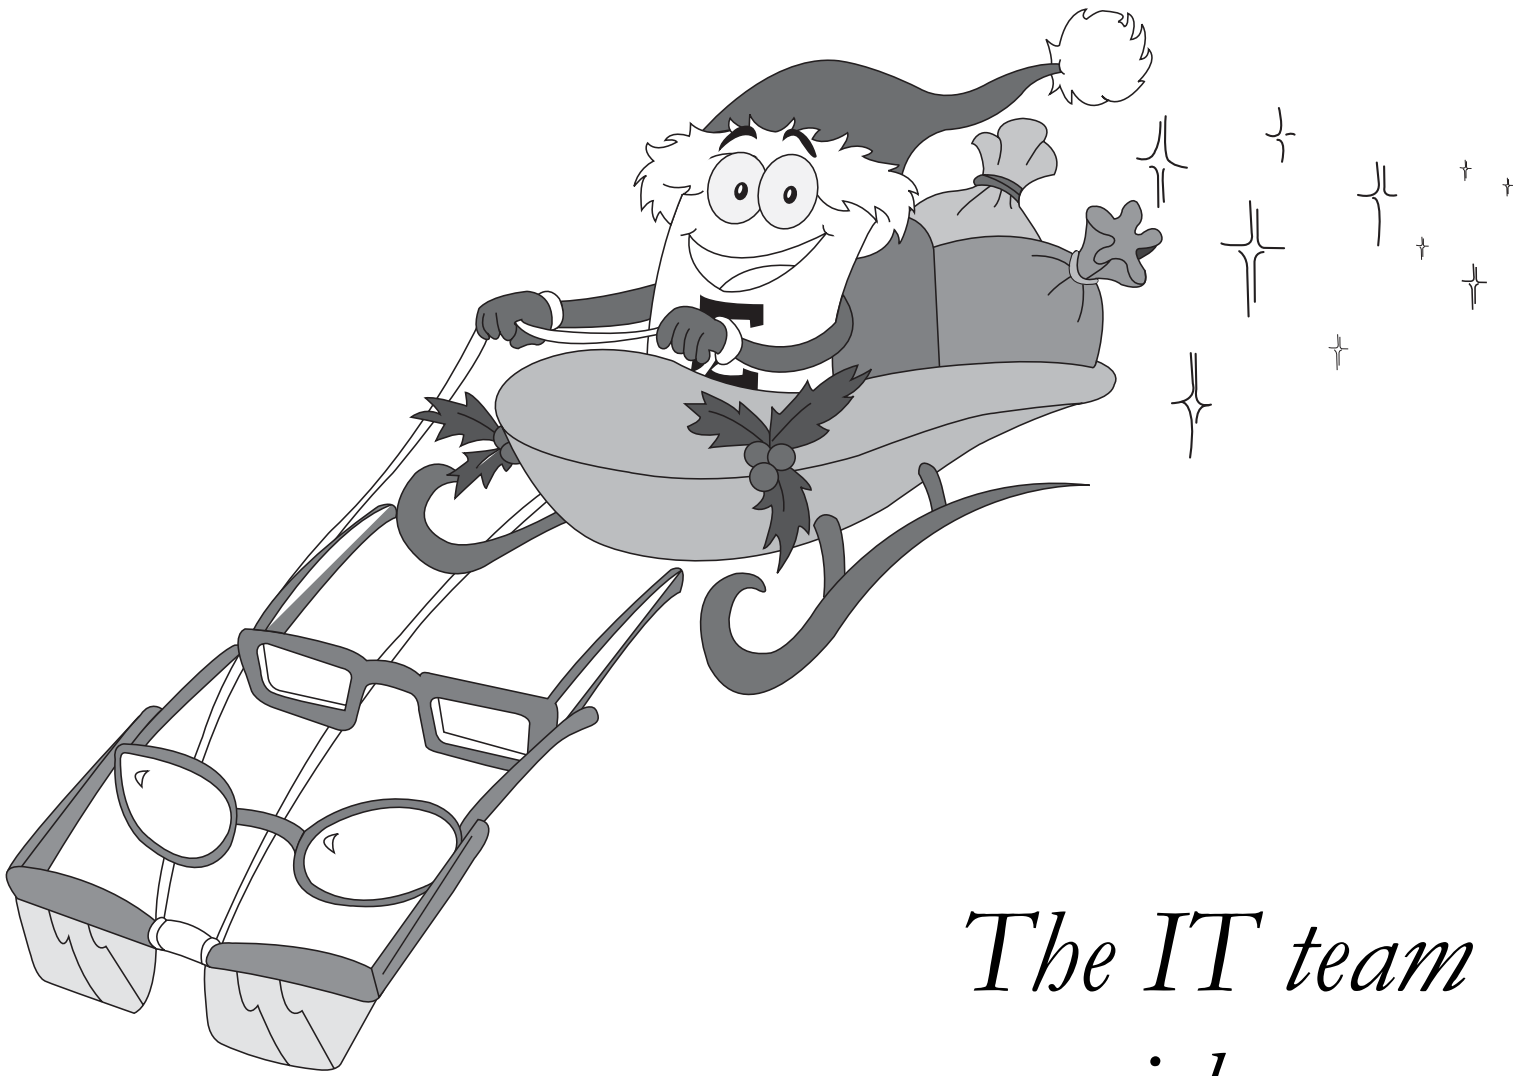

OAO in May 2008, Niagara Falls, ON

ADVICE

Even though it's the holiday season, don't forget to perform regular backups because your data is **NEVER** on holiday!

Are you closed for the holidays? Ensure that your season is jolly by making a good **backup copy of your database** and taking it with you for safekeeping.

*The IT team
wishes you*

*A Very Merry Christmas
and a Happy New Year.*
