HOW TO CONFIGURE WHICH ITEM INFORMATION IS DISPLAYED ON THE PATIENT'S INVOICE.

[1.] In the « Admin » Menu, select « Application » and « Default Values ».

[2.] In the right section of the « Default Values » window, click on the « Invoicing » tab. In the bottom section « Display of Products », select the information that you want to display on your future invoices. Example: If you want to only display the item type Frame, check the box next to Frame. If you want to only display the name of the product, uncheck Frame and check the box “Product”.

You will see the result of all the checked boxes above in the invoice image below.
