

DO YOU KNOW HOW TO REMOVE THE GRID FROM YOUR LAB ORDER?

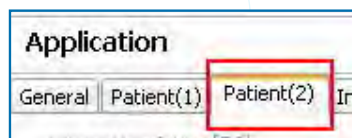

[1.] In the “Admin” menu, select “Application” and then “Default Values”.

[2.] On the left hand side, make sure that you are on the “Application” tab. In the case of a Multi-Company, you must select the tab “Company” and do the next steps in your company.

[3.] Then, on the right hand side, select the tab “Patient(2)”.

[4.] In the “Glasses lab order printer” section of the window, uncheck the “Display grid” box.
