

[TIPS & TRICKS]

Did you know that it is possible for you to print a supplier's sales report for a specific brand?

If you have more than one representative for some of your suppliers, this report will be very practical.

[1.] In the **Printing** menu and select **Invoicing - Sales Reports - Product with Detail...**

[2.] In the following window, you can use the **Brand** filter instead of extracting the entire supplier's list of products.
